

Calculation of Foreigners' Health Insurance EXCLUSIVE

Policyholder: University

Insured persons: foreign students of University

Territorial validity: the Czech Republic + treatment costs in the Schengen area

Type of insurance: Standard (qualifying period is applied in case of pregnancy and birth)

Scope of coverage

The Healthcare Insurance Exclusive covers healthcare services to the same extent as enjoyed by citizens of the Czech Republic under the public health insurance. The insurance is free of any exclusions. An insured event is a medical service provided during the term of the insurance, i.e. that the insurance also covers sicknesses arising prior to the commencement of the insurance.

In addition, the insurance also covers the payment of expenses for necessary and urgent healthcare (i.e. treatment expenses) arising in the Schengen area (with the exception of the Czech Republic), including repatriation and transportation of the remains of the insured person.

Arrangement conditions: it is necessary to fill in a health questionnaire, no need to undergo a medical examination
