

**1.**

The Rector has decided to exercise the UHK's right to the R&D result.

**2.**

According to RD 17/2020 on the disposal of intellectual property, the originator of a patent or utility model is entitled to a one-off remuneration for exercising the UHK's right to the R&D result.

**3.**

The remuneration is divided among the potential co-originators according to the originator's share as stated in the Notification of the R&D result.

**4.**

Ing. Dana Jirousková prepares the documents for the decision of the UHK Rector on the award of the remuneration for the exercise of the UHK's right to the R&D result, ensures the approval opinion of the Vice-Rector for Science and Creative Activities, and subsequently forwards the decision to the Rector's Office for the UHK Rector's signature.

**5.**

Ing. Dana Jirousková hands over the signed Rector's decision on the award of the remuneration for the exercise of the UHK's right to the R&D result to the Payroll Office and the originators are subsequently paid the remuneration. The remuneration is paid as part of the wage.

**6.**

Ing. Dana Jirousková informs the originator by e-mail about the approval of the decision on payment of the remuneration for exercising the UHK's right to the R&D result.
